### In Partnership with. . .

## EDUCATE

### MEAC Workshop

Several medical education partners statewide present a Medical Education Administrators and Coordinators (MEAC) Workshop each summer. This full-day workshop provides the opportunity for both new and seasoned undergraduate and graduate medical education administrators & coordinators to network and receive practical training to improve the overall medical education experience.

### What attendees are saying:

*"Loved this day! I feel so inspired & fired up to work that much harder!"*

*"I thought this was a great conference that had great direction to self-development in the healthcare administration field, not just as a coordinator."*

## INSPIRE

### Benefits of Joining MEAC

- Network with coordinators around the state of WI from rotation sites, medical schools, and residencies in many specialties
- Complimentary membership fee
- Reduced fee to workshop
- Access to past MEAC workshop presentations
- Voting privileges for MEAC
- Listserv – stay connected with peers to pose and answer questions and share challenges and successes
